**Subject:** Night of the Bat: ATD Fees proposed for Waiver

Councilmember Tovo,

At the work session on Tuesday, you requested information on the fees that were being requested to be waived for the Night of the Bat.

Below is a summary of the fees that would be waived, as contemplated in Item 31 on today's Council Meeting. Waiver of the objection notices was also requested because an added element to the event (presentation of the Bat Copter) only became available after the required deadlines as established by the Special Events Ordinance and Rules. However, ATD is comfortable with the addition to the event and does not believe this waiver will cause a problem with the surrounding community.

Austin Transportation Fees:

|         |                          |
|---------|--------------------------|
| \$1,500 | Traffic Control Plan Fee |
| \$ 250  | Application Fee          |
| \$ 228  | Safety Inspection Fee    |
| \$ 33   | Sound Amplification Fee  |
| \$ 600  | Permit Fee               |
| \$ 5000 | Barricade Fees           |

Should you have any further questions, I will of course be at Council today.

 Transportation Director
